**Workshop is supported by an
USDA-NRCS Conservation
Innovation Grant.**

Interested in learning more about **mob grazing**? Please join us for an educational workshop in Blacksburg, Saturday Dec. 5th. The objective of the workshop will be to educate land owners and Extension agents about the potential use mob type grazing in Virginia. Discussions will include the pros and cons of mob grazing, soil health and grazing management, and some hands on exercises. Instructors from Virginia Tech will lead the workshop.

Workshop is FREE but you must register by December 1 to attend.

To register e-mail your name and affiliation (producer, business or agency name), to **Ben Tracy (bftracy@vt.edu)** or call 540-231-8259.

If you are a person with a disability and desire any assistive devices, services or other accommodations to participate in this activity, please contact Ben Tracy (Virginia Tech) at 540.231.8259/TDD* during business hours of 9 a.m. and 5 p.m. to discuss accommodations 5 days prior to the event.

*TDD number is (800) 828-1120.
