

# Forage Field Meeting

Tuesday, October 30th, 3:30- 5:30 p.m.

Kowpoke Cattle Co., Tazewell, VA

## Multi-Purpose Forage Crops for Extending the Grazing Season *AND* Building Soil Health

- Selecting forage crops for fall and/or spring grazing
- Assessing forage mixtures, growth, quality and functional benefits
- Using strip-grazing as a management tool
- Special drone demonstration for local agricultural applications

Join us at this forage and grazing field meeting to see, touch and discuss selected forage species to meet certain feed and grazing goals on your farm. Also, you don't want to miss the planned drone demonstration!

### Guest Speakers include:

- JB Daniel, USDA-NRCS State Grassland Agronomist
- Lane Grow, Southern States
- David Hunsberger, Kings AgriSeeds,
- Brad Shaw, Pasture Management Systems
- Don Nelson, DBA-Remote Agri Drone, LLC
