

Stockpiled Fescue: Field Day

Tuesday, February 19th, 2019

12:00 pm till 3:00 pm

**Powell River Baptist Association
in Jonesville, VA**

Featured Speaker: J. B. Daniels, NRCS State Grazing Specialist

Topics will include fescue stockpile quality over time, stockpile compared to hay, strip grazing, forage yield estimation, animal nutrient requirements, economics, and hands on exercises.

Lunch is provided during the workshop and pre-registration required by February 15 to the Lee County Extension Office at (276) 546-2057 or the Daniel Boone Soil & Water Conservation District at (276) 346-0501. Directions will be provided upon pre-registration. This workshop will have indoor & outdoor sessions. Following the indoor portion the group will travel to the Ingle Farm, so please dress for the weather.

Sponsored by:

**Black Diamond Resource Conservation &
Development Council**

Held in Partnership:

If you are a person with a disability and desire any assistive devices, services or other accommodations to participate in this activity, please contact the Lee County Extension Office at (276) 546-2057 /TDD*) during business hours of 8:00 a.m. and 5:00 p.m. to discuss accommodations 5 days prior to the event. *TDD number is (800) 828-1120.

Virginia Cooperative Extension programs and employment are open to all, regardless of age, color, disability, gender, gender identity, gender expression, national origin, political affiliation, race, religion, sexual orientation, genetic information, veteran status, or any other basis protected by law. An equal opportunity/affirmative action employer. Issued in furtherance of Cooperative Extension work, Virginia Polytechnic Institute and State University, Virginia State University, and the U.S. Department of Agriculture cooperating. Edwin J. Jones, Director, Virginia Cooperative Extension, Virginia Tech, Blacksburg; M. Ray McKinnie, Administrator, 1890 Extension Program, Virginia State University, Petersburg.
