Specialists in management and economics of forage-finished beef production will cover a number of topics, including forage management, cattle selection, and marketing considerations.

*If you are a person with a disability and desire any assistive devices, services, or other accommodations to participate in this meeting, please contact Amanda Kirby (540-377-2255) five days prior to the event to discuss those accommodations.*

*These workshops are funded by a Southern Extension Risk Management Education Grant.*
