

2024 Cover Crop Grazing and Soils Workshop

with Dr. Allen Williams and Mark Botkin

Through this hands-on interactive field day, Dr. Allen Williams will cover adaptive cover cropping, cover crop grazing, and how soil health principles and adaptive stewardship can help farmers and graziers address real-life problems. Attorney Mark Botkin will provide insight on legal considerations for cropland boundary fences and grazing agreements.

DAY: April 18th, 2024

TIME: 9:00 AM—4:00 PM (ET)

COST: \$ 10.00— Lunch Included

LOCATION: Culpeper, VA
